Administration Report of the Kotah State for the Samvat Year 1993, (October 1936 to September 1937.)

CHAPTER I.

General and Political.

The area of the State including the 8 fiefs known as Kotris, is 5,684 square miles and the population according to the Census of 1931 is 6,85,804 consisting of 3,55,056 males and 3,30,748 females of which 6,29,416 are Hindus, 47,068 Musalmans, 5,194 Jains, 9,223 Animists and 1,203 of other religions. The gross revenue of the State calculated on the average of the last five years is Rs. 50,33,970/-. A tribute of Rs. 2,34,720 is paid to the British Government. A sum of Rs. 14,739/14/9 (local Jaipur Coin) is paid as tribute through the State by the 8 Kotris which are under the suzerainty or administrative control of the Kotah Darbar and form part of the Kotah State. A sum of Rs. 866/12/- is received from Khilchipur State on account of "Huzzatwasul" or "Karar Dad" and a sum of Rs. 902/2/4 on account of "Tanka" from the Rajgarh State.

Hadas and Hadoti.

Kotah is a Chauhan Hada State and occupies an important position in the Hadoti or Hadawati, the land of the Hadas.

The Chauhans are one of the most illustrious of the 36 royal races of India, and among their 24 Shakhhas (branches) the Hadas are the most important. They trace their descent from the Chauhans of Bambaunda, who were an offshoot of the Imperial Chauhans of Ajmer. Rao Dewa, one of the descendants of the Bambaunda line of rulers founded the town of Bundi in 1342 in the Bando { pass } Nāl.

Kotah came into existence as a separate State about 1676 (Vikram Era) under Madho Singhji, the second son of Rao Ratan, of Bundi. Madho Singhji obtained this royal favour in return for the good services he had rendered in the campaign which forced the Imperial Prince (afterwards the Emperor Shah Jahan) to flee from Burhanpur. Bhim Singhji, the sixth ruler of Kotah, who reigned from Samvat 1764 to 1778, considerably extended the boundaries of the State and was the first chief who assumed the title of Maharao, with the rank of "Punj Hazari" conferred on him by the Delhi Emperor. He also obtained the orange coloured banner since then used as the State Standard. In the year 1817 A. D. in the time

of Maharao Umed Singhji I his famous minister, Zalim Singh, made the first treaty in Rajputana with the British Government on behalf of Kotah and succeeded in getting a supplementary article added to the said Treaty by which the administration of the State was to be vested in Zalim Singh and his heirs and successors as hereditary Dewans. When, however, Maharao Ram Singhji succeeded his uncle, Kishor Singhji, in A.D. 1828, disputes arose between him and his then minister, (Dewan) Madan Singh, the grandson of Zalim Singh, and it was in the year 1838 A. D. that the Government of India, seeing that arrangement of hereditary ministry was no more workable, decided to separate 17 districts from the Kotah State to be formed into a new principality, named Jhalawar which was bestowed on Raj Rana Madan Singh, his heirs and successors.

The present Maharao Sahib Bahadur His Highness Lieutenant Colonel Sir Umed Singhji II G.C.S.I., G.C.I.E., G.B.E., LL. D., who was born on the 15th September, 1873, and succeeded to the Gaddi by adoption, in the year 1889 A. D. on the death of Maharao Shri Shatrusalji is the Seventeenth Ruling Prince of his family and is in his 64th year. On the death of his first wife, the eldest daughter of His Highness the Maharana Sahib of Udaipur, the head of Shisodias, His Highness married the daughter of His Highness the Maharao Sahib of Kutch, of the Jarecha clan of Rajputs. She also died on the 17th July 1933. During her life time His Highness was married to the present Maharani Sahiba, sister of the Thakur of Isarda, a Kachhwaha Rajput of Jaipur. She is the mother of Maharaj Kumar Shri Bhim Singhji Sahib Bahadur, born on the 14th September 1909.

Under the benign rule of His Highness the present ruler, the State has made considerable progress. In the year 1899, 15 out of the 17 districts which had been separated to form the principality of Jhalawar were restored to Kotah. Roads and communications have vastly improved and extended. The G. I. P. Railway Branch from Goona via. Baran joins at Kotah the Nagda-Muttra line of the B. B. & C. I. Railway. British coins and weights have been introduced. Postal unity was introduced with the Post Offices in British India. A revised Land Revenue Settlement has been made. All departments have been reorganised and strengthened. Dispensaries have been opened all over the State, and education has made and continues to make satisfactory advancement. Among the numerous public buildings round about the city of Kotah, the Umed Bhawan Palace, forms a striking adoration. Among other public works of special importance, are the Raj Bhawan, Guest House, the Crosthwaite Institute, the Military lines, the Herbert College, the Raghunath Hostel, the Power House and the Water Works outside the city wall, while within it are the Wyllie Memorial, Her Highness Shri Maharani Sahiba's Girls School and the City Hospital in the Rampura Bazar, all having sprung up during the rule of the present Maharao Sahib Bahadur.

Revenue Department.

22. Munshi Khazan Singhji, Revenue Commissioner held charge of the department throughout the year, except for 26 days when he was out on leave, and Pandit Mukand Raoji, Superintendent of Customs, Excise and Forests acted for him.

23. Maharaja Amar Singhji acted as Assistant Revenue Commissioner in the Ladpura Division till the 11th May, 1937, except for one month and 27 days when Pandit Dhurjati Prasadji Sardastar Mal officiated for him. On the 10th May, 1937 Pandit Duni Chandji, the permanent Assistant Revenue Commissioner reverted from his special duty and held charge of the Division till the end of the current year.

24. Babu Shyam Swaroopji, Assistant Revenue Commissioner was in charge of the Baran Division from the beginning of the year till the 31st August, 1938 when he retired with a meritorious record of very loyal and successful service of 34 years. On his retirement Maharaja Amar Singhji was appointed Assistant Revenue Commissioner and posted at Baran where he worked till the end of the year.

25. Munshi Hari Shankerji and Babu Ghanshyam Dasji held charge of the Divisions of Aklera and Sangod respectively, throughout the year. When Babu Ghanshyam Dasji went on a month's leave Munshi Hari Shankerji in addition to his own duty carried the work of the Sangod Division as well.

26. Munshi Har Swarup, Nazim retired for considerations of health and Pandit Krishna Dattaji, Nazim was appointed Hakim Punya.

27. As a result of the vacancies caused by the above changes and the retirement of Babu Shyam Swarupji, Pandit Dhuli Lal, Munshi Babu Ram and Babu Ulfat Rai, Naib Nazims were appointed Nazims. Munshi Bhagvati Prasad, Babu Bal Chand B. A., LL. B. and Munshi Visheshwar Dayal were made Naib Nazims.

28. The Revenue Commissioner was out on tour for 46 days during which period he inspected the work of the Revenue, Customs, Excise and Forest Departments, as also of the Veterinary-Surgeons. The Assistant Revenue Commissioners of Baran, Aklera and Ladpura were out on tour for 145, 127 and 60 days respectively. The acting Assistant Revenue Commissioner of Ladpura was on leave for a long time and therefore much of the work of the division has fallen in arrears.

29. The total area recorded in the cultivators' Khatas under report, was 27,62,375 Bighas as against 27,44,036, in the preceding year. Of the total area held by the cultivators, 58,007 Bighas remained unploughed and 22,676 Bighas remained unsown due to scarcity of rains.

30. The area under Kharif crop was 13,69,447 Bighas or 48% of the total cultivated area showing an increase of 3,20,832 Bighas over the area of the preceding year, the increase being due to the periodical cessations of monsoon. The area under Rabi crop was 14,17,748 or 52% of the area under cultivation. About 80 thousand Bighas of land cultivated for Rabi crops remained unsown due to scarcity of rains.

31. The stoppage of poppy cultivation in the Hadoti and Jungle Divisions ~~along with~~ and its curtailment in the Malwa Division has hit the peasantry hard and has necessitated the encouragement and popularization of other paying crops. It is gratifying to note that as a result of the efforts of the Revenue Department, the area under sugar cane crop is steadily increasing. In Samvat 1990, the area was 1909 Bighas which in the year under report has come up to 9661 Bighas.

32. From agricultural point of view, the year was a lean one. The Kharif crops were poor due to insufficient rainfall, and Rabi crops were further damaged by frost. Liberal remissions amounting to Rs. 3,25,065/-, were granted by the Darbar to the affected areas particularly and to other areas generally. These remissions coupled with the rise in prices of agricultural products were a great relief to the peasants who, as the Revenue Commissioner reports, could now manage to save something to live upon after paying off the land revenue and other dues.

33. The figures relating to demands and collections for the year under report compared with those of the two preceding years are given below :—

No.	Samvat.	Demand.	Collection by cash or Hundi.	Remission by order or adjustment.	Balance outstanding.	Excess collection.	Percentage of Col. 6 on Col. 3
1	2	3	4	5	6	7	8
		Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
1	1991	32,75,730	27,23,341	5,68,219	4,783	20,612	0.14
2	1992	32,73,080	30,27,474	2,60,565	2,099	17,058	0.064
3	1993	32,75,784	29,50,762	3,41,908	1,443	18,329	0.04

34. The highest collection after the second settlement was Rs. 28,64,347/- in the samvat year 1980, and the highest collection after the third settlement was Rs. 32,46,101/- in the samvat year 1987. The average collection during the last ten years after the second settlement was Rs. 26,11,976/- while collections of the 10 years between samvats 84 and 93 averaged Rs. 28,95,119/-. The higher collections, inspite of liberal remissions, after the third settlement are an evidence of the soundness and excellence of its operations.

35. The amount of Takavi outstanding at the close of the last year was Rs. 3,21,071/- and Rs. 97,050/- were advanced during the year under report which brought the total of Takavi to Rs. 4,18,121/-. Of this amount Rs. 1,44,059/- were realized during the year under report, leaving a balance of Rs. 2,74,065/-. Of the amount advanced during the year 75% was for the purchase of bullocks and the rest for other agricultural purposes.

36. The number of Panchayats fell from 35 at the beginning of the year under report to 32 at its close. Out of 382 cases instituted, 353 were disposed of. It is regrettable that the number of the Panchayats has been steadily falling and those existing are not much popular as is evident from the fact that the institution of cases therein is declining. The Revenue Commissioner and the Sessions Judge should see to it and submit suggestions to make the institution a success.

37. The total funds of the Panchayats at the beginning of the year under report were Rs. 16,665/6/6 to which Rs. 1,949/1/3, were added during the year which brought the total to Rs. 18,554/8/-. Of this amount Rs. 2,236/4/9, were spent with the sanction of the Mahakma Khas on works of public utility.

38. The number of estates managed by the Court of Wards under the Revenue Department was 35 at the beginning of the year. In case of 12 out of these, the Court of Wards administration was withdrawn, while 7 new estates were put under it. Thus at the end of the year under report there were 30 estates under the Court of Wards. The draft law of the Court of Wards is being prepared by Pandit Duni Chandji which will be submitted to the Mahakma Khas for approval in due course.

39. The six Veterinary Surgeons and ten Compounders posted at different places in the State treated 65,409 and castrated 5,238 cattle during the year under report. The total number of cattle in the State being as large as 11,79,996, the half a dozen Veterinary doctors are not sufficient to cope with cattle diseases, and, therefore, 4 young men are being trained for the purpose. The Revenue Commissioner reports that 2 or 3 more young men would be still necessary to cope with the work, and the matter is receiving due consideration from the Government.

40. To improve the breed of cattle, State has been supplying to the peasants bulls free of cost, and at present there are 23 such bulls in the districts. It is regrettable that people do not realize the importance of the measure and take no proper care of the bulls thus supplied. Some signs of an improved breed are, however, visible and it is hoped that the scheme will bear tangible fruit in course of time.

41. In the Nizamats of Khanpur and Asnawar, attempts are being made to substitute 'Charas' by 'Rahent' of the Panjab type which is decidedly a better and more economic contrivance of drawing water from a well than the 'Charas.' Improved quality of seeds of sugarcane, cotton and wheat are being tried at several places with success and the Revenue Commissioner expects still great success in future.

42. Of the two preachers attached to the Revenue Department Pandit Ram Deo was out on tour for 211 days and Pandit Gopal Datta for 267 days. Besides looking after State temples, they drew the attention of the peasants to improved methods of agriculture, better qualities of seed and manure and spirit of co-operation, etc.

Co-operative Societies.

43. Babu Ghanshyam Dassji B. Ag., held the charge of the Department throughout the year, except for a month when his Assistant Babu Gajadhar Prasadji officiated for him.

44. The strength of the Supervising staff of the Societies under the Registrar consisted of one Assistant Registrar, 9 Inspectors and 4 Sub-Inspectors and the work was carried on in the Nizamats of Ladpura, Digod, Antah, Baran, Kunjer, Chechat, Sangod and Kanwas.

45. The number of days spent on tour by the Registrar and his subordinates is given below :—

Registrar 71 days, Assistant Registrar 64 days, Inspector Ladpura 96 days, Inspector Digod 181 days, Inspector Antah (East) 171 days, Inspector Sangod 102 days, Inspector Baran (North) 125 days, Inspector Atru 129 days, Inspector Kunjer 98 days, Sub Inspector Khairabad 73 days, Sub-Inspector Chechat 96 days, Sub-Inspector Antah (West) 101 days, Sub-Inspector Kanwas 99 days.

The Registrar reports that the time spent by the Assistant Registrar on tour was not sufficient and he has been, therefore, asked to devote more time to it in future.

46. The total expenditure of the Department for the year under report was Rs. 27,941/4/6 against the budget grant of Rs. 28,621/-.

47. The number of Co-operative Societies (all of unlimited liability) at the close of the year under report was 410 as against 425 in the preceding year exclusive of 5 Seeds Societies, 2 State Servants Societies and one Society at Kunadi. The 410 Societies were distributed as below :

Ladpura 33, Digod 36, Antah 64, Baran 72, Kunjer 82, Chechat 66, Sangod 30 and Kanwas 27.

48. The number of members fell from 3,234 at the beginning of the year to 3,060 at its close.

49. The total working capital of the Societies at the close of the year stood as Rs. 10,17,431/12/3 against Rs. 10,66,170/9/6 of the last year.

The details are given below :—

	Rs.	a.	p
Balance at the end of the year... ..	8,80,638	3	9
Excess collections of the past year adjusted during the year	317	7	3
Loans advanced during the year	96,863	15	9
The amount of shares advanced as loan ...	8,029	2	6
Loan advanced from the Reserve Fund of the Societies	31,582	15	0
Total ...	10,17,431	12	3

50. The decrease in the working capital is reported to be due to the specially low rate of interest allowed to the members of the Societies.

51. Out of Rs. 1,80,770/13/6 payable by the members to the Bohras as per claim settled by the Commission Rs. 15,485/11/- was realized and Rs. 36,545/2/9 was struck off on account of the debtors ceasing to be members. This has left Rs. 1,31,878/3/6 in balance. The main difficulty in realizing the debts, reports the Registrar, is the low prices of the agricultural products combined with the peasants' ignorance of scientific methods of agriculture.

52. The extent to which the Societies could advance loan to the members was fixed at Rs. 4,56,714/- but the actual amount which the members owed to the Societies at the close of the year stood at Rs. 8,41,532/4/9 as per detail below :—

	Rs.	a.	p.
Balance of last year	8,80,638	3	9
Advanced during the year	96,863	15	9
Total ...	9,77,502	3	6
Realized during the year... ..	1,35,919	13	9
Total ...	8,41,582	5	9

53. The reasons for these apparently excessive figures of out-standing loan as compared with the sanctioned limit are reported by the Registrar to be (1) the inclusion in the above total of debts out-standing against the members struck off from the list, (2) in the case of old Societies the concealment by the members of loans they owed to Bohras and (3) series of bad years and slump in market.

54. The loan advanced to the members during the year was for the following purposes :—

	Rs.	a.	p.
(1) For purchase of cultivating rights... ..	712	6	0
(2) For repairs of wells	150	0	0
(3) For redemption of Mortgaged wells and lands	542	12	0
(4) For purchase of oxen	3,750	0	0
(5) For purchase of seeds	3,478	10	0
(6) For Halis and Gawals	1,609	0	0
(7) For payment of Revenue or Takavi ...	83,560	4	6
(8) For Commercial purposes	50	0	0
(9) For purchase of grain	24	0	0
(10) For miscellaneous Agricultural purposes ...	4,448	8	9
(11) For payment of old debts	3,936	5	3
(12) For Marriage etc.,	825	0	0
(13) For repairs of houses	24	0	0
Total ...	1,03,110	14	6

Out of this a sum of Rs. 96,863/15/9 was advanced as loan to members of Societies and the rest was spent on building temples, paying the Societies clerks and purchasing seeds.

55. The amount of loan advanced by the Societies to their members and the amount realised during the year was as below :—

	Rs.	a.	p.
Balance at the close of the year	8,80,638	3	9
Excess collections	317	7	3
Advanced during the year	96,863	15	9
Total ...	9,77,819	10	9
Interest due from members	51,905	13	0
Grand Total ...	10,28,825	7	9

Realizations :—

Out of Principal	1,30,456	4	0
Excess collections of the previous year ...	317	7	3
Interest	49,134	10	0
Adjusted towards share etc.,	3,633	15	9
Debited towards loss	3,700	14	0
Total ...	1,87,243	3	0

The balance outstanding at the close of the year :—

						Rs.	a	p.
Principal	8,08,119	8	6
Interest	33,462	12	3
Total ...						8,41,582	4	9

The net realization during the year under report totalled Rs. 1,03,682/14/6 as against Rs. 57,000/7/0 in the previous year which, the Registrar reports, is due to slight improvement in the prices of agricultural products.

The Reserve Fund of the Societies at the close of the year stood as under :—

At the beginning of the year	3,86,998	3	0
Transferred from the savings of the year						
and interest etc.,	27,680	10	3
Total ...				4,14,678	13	3

In addition to this Rs. 99,421/2/9 have been subscribed by the share-holders.

56. The total assets of the Societies thus amounted to Rs. 5,14,100/- against the liabilities of the members amounting to Rs. 8,41,582/4/9. of which Rs. 1,25,000/- are considered to be irrecoverable.

57. Of 219 registered cases and 785 executions of decrees against members of Societies 142 and 23 were disposed of respectively. The execution of decrees, reports the Registrar, is resorted to very cautiously only in case of such defaulters who either dishonestly evade payment or misuse the facilities afforded by the Department.

58. The Registrar reports that some Societies have managed to store grain and seed for use by their members. He dwells on the importance of good seeds and suggests legislation which may compel the peasants to keep a necessary stock of good seed. If the Revenue Commissioner submits a feasible and workable scheme, the Darbar will give their consideration to it.

59. Of the 410 Societies working, 9 are reported to be in an excellent condition, 69 in good condition, 292 in fair condition and 40 in bad, which does not disclose a satisfactory condition of things.

60. The Kotah State Co-operative Bank Ltd., five Societies of grain and seed, three Societies of State Employees and one Society of Thrift are of limited liability and all are doing well. The Registrar suggests that the scope of such Societies should be widened.

61. Forwarding the ~~draft~~ ^{report} the Revenue Commissioner draws attention to the heavy indebtedness of the majority of Societies and remarks that the unsatisfactory condition of things needs to be remedied.

From the Registrar's report it would appear that every thing is all right, but in fact the administration of the department is far from satisfactory.

CHAPTER III.

Legislation.

62. The administration of civil and criminal justice in the State is guided generally by the spirit of the law in force in British India, but certain special laws have been enacted in the State *mutatis mutandis*.

63. A list of the State laws in force during the year is given in Appendix II.

Military Department.

64. Colonel Thakur Pirthi Singhji held charge as General Officer, Commanding Kotah State Forces throughout the year. The troops which the Kotah Darbar may maintain is limited to 15,000 men of all description but the average number borne on the rolls of the Army throughout the year has been as shown below :—

State Forces Units.				Irregulars.
Cavalry (including Camel and Veterinary Sections)				68
Infantry	447	414
Artillery	81

65. The State having joined the State Forces Scheme, it is proposed to raise one Squadron Cavalry and complete 1st. Umed Infantry to full Active Battalion² Strength.

Police Department.

66. Babu Ramdasji Baijal held charge of the Department throughout the year.

He was out in camp for 120 days and inspected all the Police stations, Offices of the three Superintendents and Court Inspectors, the Police Lines of Baran and Aklera, and 26 outposts in Division Ladpura, and 20 each in the divisions of Aklera and Baran. The Inspector General of Police reports that except in a case or two the work of the Police Stations was satisfactory.

67. *Political Activities*.— There was no political activity in the State worth mention. An organization styling itself as a Congress Committee with Nainu Ram Sharma village Nimana as President and Nathulal Jain, a student, as Secretary was formed, it is said, with high sounding aims and objects but it could not gain any popularity. Its activities were confined only to a few poorly attended meetings.

68. Communal feelings were stirred on the occasion of the Muharram at a few places e. g. Moi Kalan, Siswali and Baran but timely action taken by the authorities prevented it from developing into any trouble.

69. At Kaithun the muslim population split up into two parties as a result of the local Qazi's ruling that marriage with one's aunt was permissible by the Shariat. The Qazi of Kotah tried to bring about a reconciliation but with no success, and trouble was apprehended on Id and Bakar-Id. The Superintendent of Police was, therefore, deputed to be present at Kaithun on these occasions and the festivals passed off peacefully.

70. The organization known as Kotah Praja Mandal is managing to keep up a show with Nainu Ram Sharma and Tansukh Lal Mittal as its only enthusiastic members. At its meeting held on Dashehra last, it was resolved that Tansukh Lal Mittal be deputed to increase its members and extend its field of activity.

71. Contrary to tradition the Kotri Indergarh decided to hold a fair on corresponding dates to compete with the "Kawalji fair" annually held within the boundry of Balwan Kotri. Naturally, the feelings between the two Kotris were embittered and a breach of peace was feared. The Inspector General of Police was, therefore, deputed to proceed to the scene and do the needfull. He succeeded in persuading the Thikanas to modify their attitude and in future under orders of Mahakma Khas the two fairs will be held one after the other, it is hoped, peacefully.

72. *Sports*:— The Police sports were held on the 6th. October, 1937 and His Highness accompanied by Shri Maharaj Kumar Sahib and Shri Bhanwar Sahib, graced the occassion. Shri Maharaj Kumar Sahib was pleased to award a shield to the winners in the Tug-of-War.

73. *First Aid to the Injured*:— Lectures in First Aid to the Injured were arranged in the Police Lines and 17 persons joined the class, of whom 11 have passed the examination. At present there are 117 persons in the Police Force who are qualified to render First Aid to the Injured.

74. *Police Training School*:— Pandit Vishnudatta Sharma M. A., LL. B. worked as law instructor throughout the year. Of 4 Probationer Sub-Inspectors who sat for the Examination 3 passed and 1 failed. In the lower class there were 16 cadets. Of these 3 were expelled—2 for unfitness and 1 for using unfair means in the Examination. Of the remaining 13, 9 passed and 4 got plucked. At present there are two cadets in the Upper class, Babu Jawahar Lal and Mr. Rameshwar Prasad.

75. *Out-posts*:— The out-post at Nanta being no longer necessary because the Kanjars have been removed from Barundhan to Ramnagar, it was removed to the border. Its strength consists of 1 Lance Head Constable and 7 constables. The out-posts at Burj and Neem-ki-Ghati and Kalakot and Lhus have been abolished while the out-posts of Girdharpura and Kolipura have been strengthened by the addition of a Head Constable, 1 Lance Head Constable and 12 Constables respectively. The out-posts of Narayanpura has also been removed to Khura.

76. *Chanda Fund*:— The total deposits on 30th. September, 1937 were Rs. 26,135/8/9 in the Officers Chanda Fund and Rs. 1,32,212/9/9 in the Kat Zamanat Fund.

77. *Details of Crimes*:— This year 1,343 cognizable offences were registered as against 1,554 during the last year. Out of these 153 offences proved false by investigation and were expunged. The following is the statement of investigation work:—

Number of offences:—

Reported	1,343
Investigated	1,278
Challaned	553
Resulted in conviction	349
Resulted in acquittal or discharge	136
Dealt with under Sec. 512 Cr. P. C.	11
Remained pending at the close of the year	63

Number of Persons:—

In which investigation was closed at the intance of the complainant	65

Percentage of cases :—

Investigated to reported	95.1
Challaned to investigated	43.1
Resulted in conviction to challaned	66.3

The figures of crime came down to normal because the year under report was not one of scarcity like the preceding year.

78. *Dacoities* :— There were 3 dacoities during the year under report as against 9 in the preceding year and the total loss of property was 4,784/8/6 of which property worth Rs. 662/13/3 only was recovered. Of these dacoities two were committed in the Baran division and the one in Aklera.

Of the 11 accused in the Gannakheri (Shahabad) dacoity committed this year 1 has been convicted, 1 acquitted while against the remaining 9, action under Sec. 512 Cr. P. C. ~~have~~ ^{has} been taken.

79. The second dacoity of the year committed at Agar (Shahabad) is under investigation. Of the 10 or 11 persons involved in the Kohni (Chhipabarod) dacoity Mangia has been arrested in the Gwalior State and extradited to this State. Mangia Mina who is also connected with other dacoities committed during the preceding year has now been arrested at village Khyavda (Gwalior).

80. The accused in the dacoity cases of Kishanpura, Narayan-khera and Agar, committed last year have been arrested in Tonk and Gwalior but they have not yet been surrendered and the Inspector General of Police reports that the States concerned are often reluctant in permitting extradition, which is not conducive to the suppression of crime.

81. *Robbery* :— 16 cases under this head were reported this year as against 20 during the previous year. Of these 8 were challaned, 4 resulted in conviction, and 4 are pending. For want of evidence final reports were submitted in 2 cases, and 6 remained untraced. The number of accused challaned was 13, of whom 5 were convicted, and 8 are yet under trial.

82. *Murder* :— The number of murders reported during the year was 5 as against 6 during the preceding year. Only three were challaned of which one resulted in conviction and the remaining two were acquitted or discharged.

83. *Culpable Homicide not amounting to Murder* :— In this year 4 cases were reported as against 7 of last year. All the four were challaned. Of which two have resulted in conviction and two are pending.

84. *Attempt to Murder* :— This year there were 5 cases of attempt to murder as against 1 in the preceding year. Of these 3 were challaned and final report was submitted in the remaining two.

85. *Cattle theft* :— 18³ cases of cattle theft as against 202 of the last year were registered during the year. Of these 54 were challaned, 110 remained untraced, final report was submitted in 10, and 9 were expunged as false. 906 cattle valued at Rs. 15,096/2/9 as against 1,223 cattle valued at Rs. 18,407/5/6 last year were lifted this year. Of these 340 cattle valued at Rs. 10,820/- have been recovered.

86. *Theft and House-breaking* :— During the year under review, the number of cases reported under this head was 529 as against 725 of the previous year. Of these 202 cases were challaned and final report was submitted in 303 cases. No investigation was undertaken in 24 cases at the instance of the complainant.

87. The total number of accused challaned was 308 of whom 188 were convicted, 95 were acquitted and 25 are under trial. 5 cases were dealt with under Section 512 Cr. P. C.

88. The total property stolen in all the above cases was valued at Rs. 25,835/13/- of which property worth Rs. 7,614/14/3 only has been recovered, which is not creditable.

89. *Escape from Custody* :— 7 cases as against 8 of last year were registered under this head. Of these 6 cases were challaned out of which 5 resulted in conviction and 1 in acquittal or discharge. The remaining one case was dealt with under Sec. 512, Cr. P. C.

90. *Police Torture* :— There was no case under this head as against 1 of last year.

91. *Property stolen and recovered* :— The total value of property stolen in all the offences was valued at Rs. 57,410/12/9 of which property worth Rs. 26,386/- only was recovered.

92. *Criminal Investigation Department* :— This department which was strengthened during the year did satisfactory work.

93. *Prosecution* :— The work of prosecution was carried on under the supervision of Pandit Triloki Nath M. A., LL. B. The following statement shows the work done :—

Courts.	Cases tried,	Result.	Per-centage.	Remarks.

Aklara Municipality.

143. This Municipal Committee is yet in its infancy and the administration is run under the supervision of the District Magistrate assisted by a board of mostly nominated members.

144. The total receipts from all sources during the year under report was Rs. 1,957/2/-. A grant of Rs. 500/- was sanctioned to meet the growing expenditure which amounted to Rs. 2,284/0/9. Thus there was a balance of Rs. 4,496/- at the close of the year.

CHAPTER IV.

Production and Distribution.

Weather and Crop.

145. The monsoon set in during the second week of June. There was general rainfall all over the Nizamats for about a fortnight and then a welcome interval after which the rains were again sufficient throughout the State. But at the end of the season they were deficient in the western and northern parts of the State. Due to rainfall in the southern portion of the State during the month of November, the Juar crop was damaged to some extent. The maximum and minimum rainfall were 50".84 cents at Aklera and 30".49 cents at Sultanpur. The Rabi crops suffered from frost during the 1st, 2nd and 3rd weeks of January and also from hailstorm in Nizamats Shahabad. 2 men were struck by lightning in Nizamats Mangrol on the 26th of July, 1937. On the whole the crops were poor due to deficiency of rain. The Darbar were pleased to grant remissions to the extent of Rs. 3,25,065/- in land tax, or about 10% of the total demand and a sum of Rs. 97,050/- was advanced as taccavi.

146. Cultivation of poppy in the Hadoti division has been completely stopped by order and in the Malwa division it has been further reduced. The cultivators, hit hard by the measure, were given necessary facilities and concessions to increase the cultivation of sugar-cane. This has resulted in swelling the area under sugar-cane cultivation from 6,540 bighas in the last year to 9,861 bighas during the year under report.

147. There were 6,031 deaths among cattle of which 4,843 were due to rinderpest. Fodder was quite sufficient to meet the demand but scarcity of water due to shortage of rains was felt in some parts. There was no epidemic this year among men.

Public Works Department.

148. Mr. C. M. Parekh, B. E., M. R. San. I., M. Inst. H. E. held charge of the department throughout the year.

149. On the retirement of Babu Ratanlal, Assistant Engineer, Babu Shamsul Rehman, Supervisor Bund Works, was appointed as Assistant Engineer in his place on trial for one year from the 20th February, 1937 and on the post so vacated Pandit Nathulal Tejpal was appointed from the same date as Irrigation Engineer in charge of works concerning Bunds, Irrigation tanks and canals. Babu Murlidhar worked as accountant of the department upto the 18th January, 1937 and thereafter Babu Narsingh Bhan was appointed on this post. Babu Lalaram, City Overseer was also made to retire.

150. The existing three Sub-Divisions City, North and South were amalgamated and reconstituted as North, South and Irrigation so as to distribute the work equitably among the three Assistant Engineers.

151. The sanctioned budget grant for the year amounted to Rs. 7,81,359/- or Rs. 2,53,020/- more than that of the previous year and was distributed as given below :—

Public Works Department Budget	Rs. 7,00,000/-
Abpashi Budget...	„ 25,110/-
Protective Bund Works	„ 56,249/-
Total	...	„	7,81,359/-

152. The expenditure in respect of works debitable to each head was as follows :—

Water Works and Electric Supply.

158. Pandit Anandilal continued to hold charge of the Water Works and the Electric plant throughout the year.

Electric Energy.

159. 12,70,805 as against 12,29,860 units of electric energy were generated during the year at a cost of Rs. 98,091/-. Of these 11,09,632 units were accounted for. The average cost per unit at the Power House came to 0.91 annas and of general distribution 1.41 as compared with .94 and 1.56 during the last year. Of the 11,09,632 units accounted for, 41,928 were consumed by street lamps and the distribution of remaining units yielded a revenue of Rs. 1,53,503/- as shown in the statement noted below :—

Name of work.	Number of Consumers.	Total units consumed.	Rate per unit in annas.	Total cost in Rupees.
Filtered supply	1	4,60,460	1.9	34,377
Unfiltered supply {	2	2,10,940	1.68	21,381
Deep Well Pump }		2,402		1,091
Industries	1,85,498	1.98	22,974
B. B. & C. I. Railway	40,304	2.69	6,791
Light and fans (general)	1,68,150	-/6/- to -/8/-	66,889
Street Lighting	1	41,928
Total	4	11,09,682	...	1,53,503

160. 35 new consumers of electric energy were added to the list. Of these 3 belong to the State and the remaining 32 are from the public as compared with 6 and 17 respectively during last year.

Filtered Water Supply.

161. The pump worked for 6,560.47 hours and supplied 27,26,31,318 gallons of water to the city and its suburbs. The total expenditure amounted to Rs. 57,084/- giving average distribution cost of 3.35 annas per hundred gallons as compared with 3.76 annas during the last year.

162. Out of the total supply 27,26,31,318 gallons of water only 4,87,40,775 gallons were metered which yielded a revenue of Rs. 17,869/- as against Rs. 15,241/- of the previous year. Rs. 565/- were received for water used for the construction of buildings. This brings the total revenue from water supply to Rs. 18,434/- as compared with Rs 16,086/- during the previous year. The balance of 22,38,90,543 gallons was a free supply to the public through the stand posts, cattle troughs etc, and also to palaces at Garh, Umed Bhawan and their out-houses which cost Rs. 38,650/- as compared with Rs. 47,642/- of the last year.

163 During the year, 72 new consumers increased but of these 8 pertain to the State and the remaining 64 are from the public.

164. The average maximum consumption of water in the summer was 10,35,278 gallons as against 9,77,822 gallons per day in the previous year.

Unfiltered Supply.

165. The pump at Kherli-well worked for 2,336 hours and supplied 11,21,28,000 gallons of unfiltered water free of charge to the gardens in the compound of Umed Bhawan Palace and the gardens attached to the civil lines bungalows at a cost of Rs. 26,482/-.

166. This is the first year after the inauguration of the Electric Supply scheme in which the management has shown a profit of Rs. 12,782/6/3 against a loss of Rs. 7,158/4/6 in the previous year for which the State Engineer gives credit to the present Electrical Engineer.

167. The State Engineer appreciates the work of his executive and clerical staff and specially the new entrants in service who are reported to have worked well in spite of changes and arrears.

Forests.

168. The total income from the State forests amounted to Rs. 1,42,081/5/- i.e., Rs. 5,769/4/9 less than that of the previous year. This inappreciable deficiency was due to decreased income from the manufacture of catechu and short collections in the amount of contract of grazing sheep and goats.

169. Out of Rs. 30,232/2/- for which contracts for certain forest products were given a sum of Rs. 268/10/- could not be realised.

170. The previous arrears at the commencement of the year were Rs. 3,795/9/9, out of which Rs. 250/1/- only could be collected leaving an outstanding balance of Rs. 3,545/8/9.

171. 145 fire-lines, 247 miles long and varying from 20 to 75 feet in width were cut at a total cost of Rs. 926/11/6.

172. Fire broke out at 75 places devastating grass and wood within an area of about 711 square miles and resulting in a loss of Rs. 3,248/- to the forest revenues. Increase in the number of such incidents is due to the growing habit of smoking among the public and in spite of vigilance of the Department the villagers escape in the forest with Biries and initiate conflagrations through their carelessness.

173. A remission of Rs. 451/4/6, on account of thatching wood (Kabara) and Rs. 10/15/- on account of grazing dues, was granted during the year under report.

174. The income from the manufacture of catechu during the year was Rs. 16,681/0/6 or Rs. 4,535/13/9 less than that of the last year and Rs. 1,228/6/- were received as royalty on *Kanker* as against Rs. 1,588/12/- of the previous year.

Quarries.

175. The income from the State quarries which are all leased out on contract, was Rs. 1,70,382/8/9 as compared with Rs. 1,81,187/13/3 during the previous year.

176. The main reason for the decrease of Rs. 10,805/4/6 is that a substantial sum on account of past arrears was realized during the preceding year. After a deduction of Rs. 7,859/5/3, on account of the expenses of the Department the net income comes to Rs. 1,62,523/3/6.

Bagar Ghas.

177. The stock of grass in the State at the commencement of the year was 8,559 maunds and 16 seers. During the year under report 1,59,631 maunds and $7\frac{1}{2}$ seers of grass of the value of Rs. 30,323/6/- was purchased. Out of this 1,49,918 maunds and 21 seers of grass was sold off yielding a receipt of Rs. 34,265/- and 3,421 maunds and 22 seers of grass was written off leaving a balance of 14,850 maunds and $30\frac{1}{2}$ seers of valueless grass, giving thereby a net profit of Rs. 3,933/3/9, in kind and Rs. 21/14/3 in cash.

CHAPTER V.

Finance.

178. Babu Chūnnilal ji T. Shukla continued to hold the post of the Controller of Accounts throughout the year. As will appear from the following figures, although the actual Land Revenue receipts viz. Rs. 29,50,763/- did not amount to the anticipated realization of Rs. 30,00,000/-, the framing of a cautious budget combined with vigilance on the part of the Controller of Accounts resulted (leaving out the unforeseen expenses) in an unexpected surplus.

179. The total receipts during the year came to Rs. 51,97,904/-, as against the estimate of Rs. 48,25,710/-. The actual expenditure was Rs. 52,85,553/- which exceeds the estimate by Rs. 5,57,792/- and is mainly due to certain expenditures on unexpected and development works.

180. The items which showed variation were :—

Increase.							Rs.	As.	P.
Customs	1,78,678	0	0
Irrigation	3,286	8	6
Railway	21,676	4	3
Refund	11,928	11	0
Maps	4,798	15	6
Stamps	7,731	13	9
Excise (Liquor)	14,743	5	6
Miscellaneous	25,919	8	6

Decrease.									
Revenue	76,711	8	9
Forests	16,574	9	3
Fines	2,168	12	6
Registration	338	8	3
Exchange and Interest	3,310	11	3

181. The continuance of general export of oilseeds and other articles since about two years due to prevalence of low rates in the foreign market, coupled with an increase in the scheduled rates on grain exports, accounts for increase under the head Customs. The State Railway brought a record net profit of nearly 4½% during this year amounting to Rs. 90,096/-. The increase under the head, 'refund' is due to a refund of Rs. 1,02,025/- received from the Government regarding

the State contribution of Rs. 2,00,000/- on account of the Deoli Mina Corps.

182. Due to insufficient and unfavourable rains the Kharif crops all over the State suffered a good deal, and consequently a sum of Rs. 3,41,907/- was remitted most of which was allowed in connection with the Kharif Harvest.

183. The ordinary expenditure of the State was kept well within the estimated bounds. Had it not been for the large increase under miscellaneous expenditure incurred mainly for the recoupment of His Highness's health after serious illness and purchase of the Sarola Kothi in Nayapura, the total expenditure would have been lowered to a great extent.

Budget Estimates.

184. The next year's income has been estimated at Rs. 50,15,710/- i.e., Rs. 1,90,000/- more than that of the last year, and the expenditure budgetted for Rs. 49,89,913/- which includes a sum of Rs. 50,000/- for development works in the State.

Customs & Excise.

185. Pandit Mukand Rao ji held the post of Superintendent, Customs, Excise and Forests up to the 31st August, 1937 when he was retired after very loyal and honest services of 37 years. Babu Kaushal Kishore ji B. A., Secretary, Mahakma Khas, was appointed in the vacancy so caused from the 1st September 1937.

186. The total Customs receipts (inclusive of mapa) during the year amounted to Rs. 8,21,732/6/- which show an increase of Rs. 1,83,477/0/6 as compared with Rs. 6,38,255/5/6 of the preceding year. This increase was due mainly to the rise of prices in foreign markets and consequent larger export of food grains, oilseeds, cotton and Kirana. Similarly increased imports of foreign commodities such as Sugar, Metals, Kerosine oil, Rice, Gur and Cotton yarn have also contributed towards this improvement.

187. The commodities which showed appreciable variations in export and import are noted below :—

Imports.

188. *Increase*:— Cloth 22%, Sugar 21%, Kirana 25%, Rice 31%, Cotton yarn 22%, Metals 52%, Kerosine oil 20%, Ghee 164%, and Cattle 56%.

Decrease:— Tobacco 10% and Silver 16%.

Exports.

189. *Increase*:— Corn 56%, Cotton 7%, Oil 33%, Cotton seeds 45% and Leather 16%.

Decrease:— Ghee 63%, Opium 16%, Oilseeds 42%, Kirana 16% and Cattle 3%.

190. The revenue from imports rose from Rs. 2,53,569/4/- during the last year to Rs. 3,49,988/4/6 and those from exports from Rs 3,67,528/- to Rs. 4,49,787/0/6, respectively.

191. The trade balance of the year as compared with that of the last year is as follows:—

Total value of				Current year.	Last year.	Increase.
				Rs.	Rs.	Rs.
Exports	85,41,917/-	47,39,719/-	39,02,198/-
Imports	48,88,868/-	41,41,437/-	7,47,431/-

192. Income from the five old and two newly started cattle fairs in the State during this year was Rs. 6,854/7/6 as against Rs. 5,147/11/3 of the last year showing an increase of Rs. 1,706/12/6. In all 28,006 cattle changed hands for Rs. 418504/0/6 yielding a revenue (mapa) of Rs 5,784/2/3 to the State. Besides a sum of Rs. 1,070/5/6 was realised as mapa duty on other articles in these fairs.

193. 1,443 cattle of the value of Rs. 15,934/11/- in the Khairabad cattle fair and 1,798 cattle valued at Rs. 32,740/- in the Suket fair, were sold free of mapa duty resulting in a remission of Rs. 248/15/6 and 511/9/- respectively.

194. Seven Ginning factories and one cotton press worked during the year. The amount of royalty realised from these factories was Rs. 1,299/4/3 (inclusive of Rs. 39/13/- arrears of the past year) as compared with Rs. 945/0/6 during the previous year and the quantity of cotton ginned was 20,787 maunds 12 seers and 2 ohhataks. 4,994 bales were pressed at the Ramganj Mandi Cotton Press and Rs. 4,370/- were recovered as royalty therefrom which includes a record sum of Rs. 500/- realized on account of 2,414 bales at the rate of 0/12/0 per bale received for pressing from outside the State.

195. There are three Mandis in the State, namely Baran, Bhimganj and Ramganj. Of these Baran does not enjoy any concession. The remaining two Mandis (at Kotah Junction known as Bhimganj and Ramganj mandi) are except as regards tobacco, biri, cigarettes, and matches, exempted from the levy of usual import duty within their limits.

196. The income of the two Customs out-posts at Ramganj Mandi amounted to Rs. 2,26,297/14/- of which Rs. 47,538/4/6 was remitted.

During the last year these figures were Rs. 1,38,104/9/3 and 27,054/11/3 respectively. This shows an increase of Rs. 88,193/4/9 in the receipts and consequent excess of Rs. 20,483/9/3 in remissions as compared with those during the previous year.

197. A refund of Rs. 1,252/3/3, on customs duty and of Rs. 1,330/- regarding opium duty was allowed in cash. A remission of 25% amounting to Rs. 2,049/10/3 was granted to Nizamath Shahabad and of Rs. 4,486/0/9 regarding goods imported by merchants of Kotah regarding City during the Dashera fair.

198. Exemption granted on goods imported by certain State departments and privileged individuals amounted to Rs. 10,796/12/3 as compared with Rs. 7,013/11/3 during the preceding year.

Excise.

199. The excise receipts for the year under report amounted to Rs. 1,60,492/11/3 showing an increase of Rs. 14,743/5/6 as compared with Rs. 1,45,742/14/3 during the previous year. The comparative details are as follows:—

	Year under report.	Last year.	Increase.
	Rs.	Rs.	Rs.
License fees	58,936/5/6	57,029/13/0	1906/8/6
Duty on liquor	1,00,725/3/0	88,201/8/9	12,523/10/3
Miscellaneous... ..	831/2/9	511/8/6	319/10/3

The sum of license fees also includes income from contracts in Nizamath Shahabad where the Madras system is not in vogue.

200. Mr. Rustamji Cowasji Anklesaria continued to hold the contract for the supply of liquor which has been leased out to him for seven years at the rate of Rs. 1/3/- per gallon L. P. This was the second year of the lease. Another contract for one year has also been given to the same man for the distillation and supply of liquor prepared from "Gur" and from a set-mixture for sale at the rate of Rs. 1/7/- and Rs. 1/11/- per gallon respectively at the Kotah and Baran godowns.

201. The charges recovered from the contractor for wear and tear of the distillery plant at Atru at the rate of one anna per gallon amounted to Rs. 1,625/5/6 i. e. Rs. 175/11/3 more than that realised last year, which was due to increased consumption of liquor.

202. The stock of liquor at the five warehouses in the State at the commencement of the year was 2,049.1 gallons L. P. During the year 25,957.3 gallons L. P. of liquor (after deducting 347.2 gallons for shrinkage in transit) was supplied to the various Warehouses from the Atru Distillery.

203. Out of this total of 28,006.4 gallons 24,459.4 gallons of liquor was sold off, 531.5 gallons wasted and 3,015.5 gallons left in stock at the close of the year. The incidence of consumption on percent of population works out at 4 gallons L. P. instead of 3.6 gallons during the previous year.

204. The incidence of cost per gallon L. P. of liquor sold comes to Rs. 6/9/- as compared with Rs. 6/12/6 in the preceding year and that of consumption per head of population works out at Rs. 0/3/9.

205. 784.8 gallons of liquor was supplied to the Jagirdars of the State at concession rates as compared with 791.2 gallons during the last year.

MISCELLANEOUS.

The Kotriyat Department.

289. Till March 1937 this department was under the Home Department, but after the sad death of Pandit Purshottam Raoji, Hakim Home, the Home Department was abolished and the departments under it were put direct under Mahakma Khas. Babu Abdul Wahabji, the Abu Vakil, who was appointed Hakim Kotriyat, took charge of the Kotriyat on the 29th March, 1937, and since then he has held the charge. Babu Lal Beharilal continues to be the Assistant Hakim Kotriyat. The following is the brief account of the Kotris :—

290. *Indergarh*:— This Kotri is administered by Maharaja Sumer Singhji with the help of a Kamdar. It owes a debt of Rs. 1,25,166/2/9 to the State.

291. *Khatoli*:— This Thikana is managed by Maharaj Balbir Singhji with the help of a Kamdar. Its affairs are reported to be satisfactory.

292. *Antarda*:— This Thikana is managed by Maharaj Sangram Singhji and owes a debt of Rs. 39,740/1/9 to the State.

293. *Balwan*:— Maharaj Pratap Singhji having mismanaged the Thikana, it was put under the Court of Wards during the year. It owes to the State a debt of Rs. 96,441/12/-.

294. *Pusod*:— The Thikana is managed by Thakur Jagat Singhji. It owes a debt of Rs. 79,015/8/6 to the State. The Hakim Kotriyat reports that the fief is not well managed and complaints about its maladministration frequently come to him.

295. *Ganta*:— The administration of this Thikana was carried on under the supervision of the Kotriyat Department till the 1st of April, 1937 when Maharaj Tejraj Singhji after the completion of his education at the Mayo College was permitted to manage it himself. It owes a debt of Rs. 65,691/6/- to the State and the Hakim Kotriyat reports that the young Sardar has neither appointed any capable Kamdar nor has he himself worked with interest and zeal which was expected of him.

296. *Pipalda*:— The Thikana is managed by Thakur Gulab Singhji who was permitted to do it on trial for three years. He is assisted by a Kamdar, but is not taking sufficient interest in the work. He has been allowed to conduct the management for a year more on trial.

297. *Karwar* :— The Sardar of the Thikana Thakur Girwar Singhji is receiving education at Mayo College, Ajmer and doing well. The Kotri is managed by the Court-of-Wards. It owes a debt of Rs. 91,000/- to this State.

State Gardens.

298. Babu Balmukandji Gupta B. A held the post of Superintendent Gardens throughout the year except for a period of 15 days only, in the month of April, 1937, when he proceeded on leave and Mr. Mazhar Ali, Superintendent Nao-Ghat acted for him

299. The Supply of water in the Chhatar Bilas Tank ran short as usual about the 15th April, 1937 and the scarcity of water in the Gardens was felt for over two months upto the 21st June. The deepening of the tank could not be undertaken this year as the operations in this connection were started too late.

300. The total rainfall measured in the State Gardens was 38.25 inches as against 19.75 inches of the last year.

301. Owing to the presence of tortoises the lotus plants entirely disappeared from the lotus tank. To avoid this situation 134 tortoises were caught in 3 days, during the previous summer season and transferred to the Chambal river.

302. The income from the State Gardens was Rs. 8,341/- against Rs. 7225/- during the previous year. The respective expenditure being Rs. 31,920/- and Rs. 31,942/-.

303. In the Zoo maintained in the gardens there were in all 8 animals at the commencement of the year which increased to 13 at its close. The details are noted below :—

Lionesses	3
Tigers	2 (one pair)
Panthors	4 (two pairs)
